191-*One Reel*

"BROKEN SILENCE"

A Visit to a Day School for Deaf Children

Produced by Ford Motor Co.

Released through Goldwyn 191

Copyrighted 1920 by Ford Motor Co., Detroit, Mich.

2. Children too small to come on street cars are brought in busses under care of Police Department.
3. "Would you like to visit our Day School for the Deaf? The pupils will be happy to show you their work in the class-room. Come with me and see them."
4. Could you read the lips?
5. Training the hand and the eye. Teaching imitation and self control.
6. A good test of total deafness.
7. First step in teaching a deaf child to speak. He learns to control the breath by blowing out the candle.
8. He watches the teacher's mouth and repeats what is said.
9. "Sound" to a deaf child means vibrations. "Music" to him means rhythmic vibrations as expressed in marching or dancing. "Feeling music".
10. The rhythm of marching.
11. A bit of rhythm from Alabama.
12. Discovering her voice. The vibrations of the voice resemble those of a stringed instrument.
13. Learning the names of objects by watching the teacher's lips.
14. He must learn to write, as well as lip read and speak.

15. Some good lip reading.
16. Language. What time is it?
17. Geography lessons. Some more good lip reading.
18. A close acquaintance with fractions.
19. Physical education. Developing the body as well as the mind.
20. Future captains of industry.
21. A most valuable training for any home.
22. Advanced classes. The work here now approaches that of a child who hears.
23. America - "My country 'tis of thee."
